Parasport's in Nova Scotia

Para or Adaptive sports are competitive and/or recreational sports that are accessible to everyone, and can be played by anyone whether living with or without a disability!

Did you know there are tons of Parasport opportunities available in communities all across Nova Scotia? Visit parasportns.com to learn more about all the individual programs that are available across the province!

Examples of Parasport's Available Across Nova Scotia include;

- | | | | |
|------------------------------------------------------------------------------------|--------------------|-------------------------------------------------------------------------------------|------------------------------|
|  | Para Hockey |  | Wheelchair Curling |
|  | Boccia |  | Wheelchair Basketball |
|  | Para-Canoe |  | Ski & Snowboard |
|  | Goalball |  | Powerchair Soccer |

Map of Programs in Nova Scotia

Parasport FAQ's

Do you need to have a specific disability to participate in Parasport programs?

NO! Parasport's are designed to create a more inclusive and accessible sport environment. This means that at a recreational level they are open to participants of all abilities! Depending on your ability, certain sports may provide a better experience than others. You can check out each parasport offered in Nova Scotia at www.parasportns.com to see which sport might be the best fit for you, or you can reach out to parasport@sportnovascotia.ca if you need additional assistance or guidance!

** At competitive National levels and above all Parasport's have classification systems to group similar abilities together for competition*

How do I register for a program?

Parasport programs are not provided directly by Sport Nova Scotia, but by a variety of different organizations across the province! Each organization has their own registration process, but a centralized list of programs, links to register, and contact info can be found at www.parasportns.com! If you are having trouble finding the info for a specific sport or program, you can reach out to parasport@sportnovascotia.ca to get started!

What is the cost?

Cost varies program to program depending on the organization providing the program. Most parasport programs in Nova Scotia are low to no cost to register! If cost is a barrier, there are funding options such as KidSport available - <https://kidsportcanada.ca/nova-scotia/provincial-fund/>. There are also a number of municipalities across the province that offer subsidies for sport registration fees for youth.

I don't know what sport would be a good fit for me/ my child?

You can check out each parasport offered in Nova Scotia at www.parasportns.com to see which sport might be the best fit for you, or you can reach out to parasport@sportnovascotia.ca if you need additional assistance or guidance!

Is there a parasport program in my community?

There are parasport programs offered in communities all across Nova Scotia! You can find a map and list of available programs at www.parasportns.com!

Are there any options if there is no programs in my community?

Yes! Sport Nova Scotia offers the Parasport Program Loan which loans out the equipment, training and resources for a selection of parasports to eligible organizations to trial them in new communities! To find more info on this program visit <https://www.parasportns.com/parasport-program-loan/> or email parasport@sportnovascotia.ca

Do I need to have my own equipment?

It varies program by program depending on the organization providing the program, but for the vast majority of programs, NO! Most programs provide any specialized equipment such as sport chairs, specialized balls, etc as part of the program.

Calling parents of children with disabilities across Canada for a research study

MPOC 2.0: Field-testing the new MPOC

WHAT IS THE PROJECT ABOUT?

- Researchers at McMaster University have developed a new questionnaire to measure parents' experiences with healthcare services for their children with disabilities. Now we would like to have parents test it out!

WHO CAN PARTICIPATE?

- Parents of a child/youth who has been receiving developmental, medical, or behavioural services for at least 6 months in the past 5 years.
- Parents who have not previously participated in another phase of the MPOC 2.0 study.

WHAT WILL YOU BE ASKED TO DO?

- Complete a set of questions to tell us about your experiences with healthcare services.

Interested in participating?

FAQ

HOW MUCH DOES CAMP COST?

Thanks to the generosity of our donors and partners, we're proud to offer a unique fee structure called, **Pay What You Can.**

No questions asked. No qualifiers. No minimums.

No judgment. You choose what you can pay based on what works for your family – we'll work with the community to cover the rest. All children will have the same experience no matter how much their family contributes.

HOW CAN I APPLY?

Visit our website to apply between February 1st and May 1st.

BRIGADOON VILLAGE

THE MOST FUN YOU'LL
HAVE ALL SUMMER!

WHAT TO EXPECT

WHAT IS BRIGADOON?

Located in Aylesford, Nova Scotia, Brigadoon Village hosts medically-supported camps each summer for kids ages 7-18 living with health conditions or life challenges. We believe that every child, regardless of the issues they face, should have the opportunity to experience the transformational and therapeutic effects of camp. That's why we strive to develop condition-specific camps that not only meet the medical needs of our campers, but are also the most fun you can pack into a week!

WHERE WILL MY CAMPER SLEEP?

Each cabin is designed with 5 bedrooms and 4 private bathrooms with showers. Campers bunk together in cabins with campers of similar ages with plenty of opportunities to get to know one another during group activities, but also with lots of space to curl up with a book for some quiet time. A counsellor is assigned to each cabin group and will be nearby 24/7 to ensure campers are safe and having fun!

WHAT WILL MY CAMPER EAT?

We love food at Brigadoon and foster healthy & happy relationships with food for campers. Meals are prepared for campers by our team in a state-of-the-art kitchen; they're delicious and tailored to the nutritional needs of campers and their health conditions.

WHAT WILL MY CAMPER DO?

Each day offers a mix of planned activities, and activities campers can choose to participate in. Activities such as cooking & baking, super messy crafts, outdoor adventures, archery, drama, swimming and boating are part of a camper's everyday experience. We end each day together at the heart of camp – campfire.

IT TAKES A VILLAGE

Our powerhouse team of professionals has your child's best interest at the heart of everything they do.

OUR COUNSELLORS

Our counsellors are trained in managing your camper's safety, running engaging programs, and helping to pack every day full of laughs and opportunities to grow. Certified lifeguards are with campers at all times during water activities.

OUR MEDICAL TEAM

Our fully-licensed medical team manages our on-site Medical Center at camp to dispense medication and provide treatment. Campers can visit our medical team for care (or comfort) anytime.

THANK YOU!

We appreciate you trusting us to care for your child during their stay with us, and we take great pride in hiring the best people.

RECRUITING PATIENTS & FAMILIES IN IWK KIDS REHAB

Are you currently accessing care at the **IWK Kids Rehab Clinic**?

Would you like to **share feedback** about **your experience**?

We will ask you to complete a **1-1.5 hour interview** and you will be **compensated \$50** for your participation

Our research study is looking to interview patients and families about their experience with **goal setting**, the **intake interview**, and **overall functioning of the clinic**

To participate in this study you must be a patient or parent/guardian where...

- The patient has been **accessing care** at the Rehab Clinic for **at least the last 5 years**
- The patient **has not transitioned out of Rehab Clinic**
- The patient and/or parent is **comfortable having a conversation in English**

If you are interested in participating, please contact:

Sarah Jennings
Lead Researcher
sarah.jennings@dal.ca

Dr. Jordan Sheriko
Supervising Investigator
jordan.sheriko@iwk.nshealth.ca

SEEKING PEDIATRIC POWER WHEELCHAIR USERS FOR RESEARCH STUDY

Do you have a child that is a current power wheelchair user? Or are you younger than 18 and a current power wheelchair user?

Current pediatric power wheelchair users (aged 4-17) and their caregiver are invited to take part in a research study to help develop a **virtual reality game** for power wheelchair skills training

Participants will each receive a \$25 gift card for their time

INTERESTED IN PARTICIPATING OR HAVE QUESTIONS?

Please contact the Research Coordinator, Sara, at
Sara.Drisdelle@iwk.nshealth.ca

This study has been reviewed and approved by the IWK
Research Ethics Board (#1026934)

Do you have a child (<18 years old) living with cerebral palsy? Or are you younger than 18 and living with cerebral palsy?

Complete an online survey to tell us about pain experiences in cerebral palsy and its impact (those with and without pain encouraged to participate!)

<https://tinyurl.com/CPAINsurvey>

1 in 100 chance to win a \$150 prepaid VISA card

RECRUITING CAREGIVERS OF PATIENTS IN THE IWK KIDS REHAB

Our research study is looking to interview caregivers of children with physical disabilities to understand how disability impacts their risky play behaviours.

Who can participate ?

Caregivers of children aged 8-13 years, who are currently accessing the **IWK Kids Rehab Clinic** and identify with having a **physical disability**.

What you'll be asked to do:

Complete a **1-1.5 hour online interview** that will explore **family demographics** and your child's **risky play experiences**.

If you are interested in participating, please contact:

Maggie Locke
Lead Researcher
mg382955@dal.ca

RESEARCH OPPORTUNITY

If you would like to tell us your experiences, please contact:

Jennifer Lane
jennifer.lane@iwk.nshealth.ca
(902) 470-2634

Are you a youth with complex care needs?

Are you a parent or caregiver to one?

Did you live and seek care in Nova Scotia between March 2020 and March 2022?

We would like to hear your experiences with public health restrictions and service changes during the COVID-19 pandemic.

Meetings will be virtual and last about 30 minutes.
