# Getting Ready for Adult Care?

Check out our  
transition tips!

# TALK ABOUT IT

Talking about the transition to adult health care will not likely make it happen any faster, but it may help you to feel more confident and prepared when you do make the move

IWK Health

IWK HEALTH TRANSITION TIPS

# START EARLY, REPEAT OFTEN

Start thinking about the skills you need early. There are lots of skills to learn, like figuring out how to get medications, knowing your health history, and being an advocate for what helps you.

IWK Health

IWK HEALTH TRANSITION TIPS

# KNOW YOUR CHAMPIONS

Find people to help--at home, at school or from your health care team.

Look for people who can support you as you take on more responsibility for your health care.

IWK Health

IWK HEALTH TRANSITION TIPS

# ASK FOR HELP

As you take on more responsibility for your health, remember, it is ok to ask for help. Your health care team is here to support you.

If you are not sure, ask us!

IWK HEALTH TRANSITION TIPS

# TRY IT ON YOUR OWN

Try your new health care skills  
while you have a support  
system around you.  
It is ok to make mistakes,  
it is how we learn.

IMPLEMENTATION OF  
INTENSIVE THERAPY FOR  
EARLY REACH THROUGH PLAY

## Share your **experiences** with **HAND THERAPY**

Complete an online survey about things that may influence early intensive hand therapy for young children with cerebral palsy.

Across Canada, we'd like to hear from:

- **Caregivers** of a child with cerebral palsy under 6 years old.
- **Occupational Therapists** who provide therapy for children with cerebral palsy.
- **Leaders** who manage occupational therapy programs.

Take a picture to participate in the survey

Participants will receive \$25

# Parasport's in Nova Scotia

*Para or Adaptive sports are competitive and/or recreational sports that are accessible to everyone, and can be played by anyone whether living with or without a disability!*

**Did you know there are tons of Parasport opportunities available in communities all across Nova Scotia? Visit [parasportns.com](http://parasportns.com) to learn more about all the individual programs that are available across the province!**

## Examples of Parasport's Available Across Nova Scotia include;

- |  |                    |   |                              |
|--|--------------------|---|------------------------------|

# Parasport FAQ's

## Do you need to have a specific disability to participate in Parasport programs?

NO! Parasport's are designed to create a more inclusive and accessible sport environment. This means that at a recreational level they are open to participants of all abilities! Depending on your ability, certain sports may provide a better experience than others. You can check out each parasport offered in Nova Scotia at [www.parasportns.com](http://www.parasportns.com) to see which sport might be the best fit for you, or you can reach out to [parasport@sportnovascotia.ca](mailto:parasport@sportnovascotia.ca) if you need additional assistance or guidance!

*\* At competitive National levels and above all Parasport's have classification systems to group similar abilities together for competition*

## How do I register for a program?

Parasport programs are not provided directly by Sport Nova Scotia, but by a variety of different organizations across the province! Each organization has their own registration process, but a centralized list of programs, links to register, and contact info can be found at [www.parasportns.com](http://www.parasportns.com)! If you are having trouble finding the info for a specific sport or program, you can reach out to [parasport@sportnovascotia.ca](mailto:parasport@sportnovascotia.ca) to get started!

## What is the cost?

Cost varies program to program depending on the organization providing the program. Most parasport programs in Nova Scotia are low to no cost to register! If cost is a barrier, there are funding options such as KidSport available - <https://kidsportcanada.ca/nova-scotia/provincial-fund/>. There are also a number of municipalities across the province that offer subsidies for sport registration fees for youth.

## I don't know what sport would be a good fit for me/ my child?

You can check out each parasport offered in Nova Scotia at [www.parasportns.com](http://www.parasportns.com) to see which sport might be the best fit for you, or you can reach out to [parasport@sportnovascotia.ca](mailto:parasport@sportnovascotia.ca) if you need additional assistance or guidance!

## Is there a parasport program in my community?

There are parasport programs offered in communities all across Nova Scotia! You can find a map and list of available programs at [www.parasportns.com](http://www.parasportns.com)!

## Are there any options if there is no programs in my community?

Yes! Sport Nova Scotia offers the Parasport Program Loan which loans out the equipment, training and resources for a selection of parasports to eligible organizations to trial them in new communities! To find more info on this program visit <https://www.parasportns.com/parasport-program-loan/> or email [parasport@sportnovascotia.ca](mailto:parasport@sportnovascotia.ca)

## Do I need to have my own equipment?

It varies program by program depending on the organization providing the program, but for the vast majority of programs, NO! Most programs provide any specialized equipment such as sport chairs, specialized balls, etc as part of the program.

# Calling parents of children with disabilities across Canada for a research study

## MPOC 2.0: Field-testing the new MPOC

### WHAT IS THE PROJECT ABOUT?

- Researchers at McMaster University have developed a new questionnaire to measure parents' experiences with healthcare services for their children with disabilities. Now we would like to have parents test it out!

### WHO CAN PARTICIPATE?

- Parents of a child/youth who has been receiving developmental, medical, or behavioural services for at least 6 months in the past 5 years.
- Parents who have not previously participated in another phase of the MPOC 2.0 study.

### WHAT WILL YOU BE ASKED TO DO?

- Complete a set of questions to tell us about your experiences with healthcare services.
