- (F) If the period of disability or pregnancy, parental or adoption leave is less than eighteen months, then the accrual of seniority will be pro-rated accordingly.

- (a) Unless this Agreement provides otherwise, the hours of work shall be seventy (70) hours per bi-weekly period, normally consisting of ten (10) seven (7) hour shifts, or seventy-five (75) hours per bi-weekly period, normally consisting of ten (10) seven and one-half (7 ½) hours shifts.

- (b) **Overtime Exception**

Where, during a regular scheduled shift rotation, an Employee may be required to work in excess of seventy (70) or seventy-five (75) hours in a two-week (2) period, additional hours shall not constitute overtime in that two (2) week period, provided the hours of work average seventy (70) or seventy-five (75) hours per two (2) weeks of each complete cycle of the shift rotation.

- (c) **Rest Intervals between Scheduled Shifts**

With the exception of Employees who are working shifts greater than seven (7) hours, every reasonable effort shall be made by the Employer to avoid scheduling the commencement of a shift within sixteen (16) hours of the completion of the Employee's previous shift. In addition to situations arising pursuant to Article 14.03, shift arrangements requested by the Employee(s) in writing and approved by the Employer, in variance to the foregoing, shall not constitute a violation of this provision.

14.02 No Guarantee of Hours

An Employee's scheduled hours of work shall not be construed as guaranteeing the Employee minimum or maximum hours of work but is a basis for computing overtime.

14.03 Deviations from Scheduled Hours

It is recognized and understood that deviations from the regular schedules of work will be necessary and will unavoidably result from several causes, such as, but not limited to, leaves of absence, absenteeism, temporary shortage of personnel, and emergencies. Such deviations shall not be a violation of this Agreement.

14.04 Flexible Working Hours

The Employer will, where operational requirements and efficiency of the service permit, authorize experiments with flexible working hours if the Employer is satisfied that an adequate number of Employees have requested and wish to participate in such an experiment.

14.05 Modified Work Week

Where Employees in a unit have indicated a desire to work a modified work week, the Employer may authorize experiments with modified work week schedule, providing operational requirements permit and the provision of services are not adversely affected. The averaging period for a modified work week shall not exceed three (3) calendar weeks, and the work day shall not exceed ten (10) hours.

14.06 Return to Regular Times of Work

In the event that a modified work week or flexible working hours system:

- (a) does not result in the provision of a satisfactory service to the public;
- (b) incurs an increase in cost to the employing department; or
- (c) is operationally impractical for other reasons;

the Employer may require a return to regular times of work, in which case the Employees shall be provided with sixty (60) calendar days' advance notice of such requirement.

14.07 Shift Duration

- (a) In the event that an existing shift duration
 - (i) does not result in the provision of satisfactory service to the public;
 - or
 - (ii) is operationally impractical for other reasons;

the Employer will consult with the Union, with the view to minimizing any adverse effects that a change to existing shift duration may have on Employees.

- (b) The Employer will give the Employees sixty (60) calendar days advance notice of the shift requirement; and invite expressions of interest.
- (c) The expression of interest notice shall include the required:
 - (i) number of Employees;
 - (ii) classification;

- (iii) abilities, experience, qualifications, special skills and physical fitness, where applicable, reflecting the functions of the job concerned; and
 - (iv) shift duration.
- (d) If there are more qualified volunteers than required, preference in filling the positions shall be given to the Employees with the greatest length of seniority.
- (e) If there are fewer qualified volunteers than required, the Employer shall staff the shifts with qualified Employees, in reverse order of seniority.
- (f) Nothing in this Article precludes the Employer from:
 - (i) maintaining any and all shift arrangements in effect prior to the signing of this Agreement;
 - (ii) hiring employees to staff a specific shift duration;
 - (iii) continuously assigning an Employee to a specific shift duration at the Employee's request, where such continuing assignment is acceptable to the Employer.

14.08 Meal Breaks and Rest Periods

For each seven (7) hour shift, subject to the provisions of Article 14.09, the Employer shall provide an unpaid meal break of one (1) hour and paid rest periods totalling one-half ($\frac{1}{2}$) hour, not to be taken in less than two (2) breaks. The Employer shall schedule meal breaks in such a way that an Employee be permitted to leave their work area. Operational requirements may be such that these breaks may not be able to be taken off the premises. These breaks shall be prorated for shift duration.

14.09 Recall From Meal Breaks and Rest Periods

Should an Employee be recalled to duty during the designated meal break as provided in Article 14.08 and the entire meal break cannot be rescheduled during the shift, the meal break shall be deemed to be time worked and compensated for at the applicable overtime rate set out in Article 15. Should an Employee be recalled to duty during the time provided in Article 14.08, other than during the designated meal break, and time off equal to the difference between the break time taken and the total break allowance cannot be granted during the shift, the break time not taken because of recall to duty shall be considered as overtime and compensated for in accordance with the provisions of Article 15.

14.10 Coverage

The Employees agree to maintain staff coverage which, in the opinion of the Employer, is adequate for all operational units during a shift change, meal breaks, and rest periods.

14.11 Days Off

During the two (2) week period Employees shall, whenever possible, receive two (2) days off in each calendar week or four (4) days off in each two (2) week period. At least two (2) of the days off in the two (2) week period shall be consecutive days off.

14.12 Consecutive Shifts

- (a) The Employer will endeavour, where possible, to provide that no Employee is scheduled to work more than seven (7) consecutive days in a two (2) week period. This does not preclude shift arrangements, acceptable to both the Employer and the Employee(s), in variance to the foregoing.
- (b) Subject to the limitations of Article 14.03, the Employer shall provide that no Employee is scheduled to work more than five (5) consecutive evening shifts or five (5) consecutive night shifts in a two (2) week period. This does not preclude shift arrangements requested by the Employee, in writing, acceptable to both the Employer and the Employee(s) in variance to the foregoing.
- (c) Unless mutually agreed otherwise, Employees shall not be required to work more than a total of sixteen (16) hours (inclusive of regular hours and overtime hours) in a twenty-four hour period beginning at the first hour the Employee reports to work, except in emergency situations.
- (d) An Employee who works more than sixteen (16) hours as set out in Article 14.12 (c) shall be entitled to a rest interval of eight (8) hours before the commencement of their next shift. The rest interval shall not cause a loss of regular pay for the hours not worked on that shift. If mutually agreeable between the Employee and the Employer, arrangements in variance to the foregoing will be acceptable and will not constitute a violation of this Article.

14.13 Posting of Shift Schedules

- (a) Shift and standby schedules shall be posted at least four (4) weeks in advance of the schedule to be worked and the schedule shall be for a minimum of two (2) weeks. The Employer shall make every reasonable effort not to change shifts. If the Employer changes the shift schedule within forty-eight (48) hours of the shift, the Employee(s) affected shall be entitled to overtime compensation for that shift. The Employer must inform employees of the shift changes made to the posted schedules.
- (b) When the Employer requires an Employee who is regularly scheduled to work Monday through Friday, to work on a weekend as part of their regular bi-weekly hours the Employer shall make every reasonable effort to provide the Employee with four (4) weeks' notice, but in any case not less than two (2) weeks' notice of the weekend work.

14.14 Exchange of Shifts

Provided advance notice is given, which notice in the opinion of the Employer is deemed sufficient, and with the approval of the Employer, Employees may exchange shifts, where operational requirements permit, and there is no increase in cost to the Employer.

14.15 Week-ends Off

Where operational requirements permit, the Employer will endeavour to provide each Employee one (1) weekend off in two (2), but in no case shall there be less than one (1) week-end off in three (3).

Arrangements and modifications to same in variance to the foregoing may be mutually agreed upon between the Employer and the Employee.

14.16 Split Shifts

No shift shall be split for a period longer than the regularly scheduled meal and rest periods as provided for in Article 14.08.

14.17 Rotation of Shifts

Employees required to work rotating shifts (day, evening and night duty) shall be scheduled in such a way as to, as equitably as possible, assign the rotation equally. This does not preclude an Employee from being continuously assigned to an evening or night shift at the Employee's request where such continuing assignment is acceptable to the Employer.

14.18 Conversion of Hours

Except as otherwise provided in this Agreement, the following paid leave benefits will be converted to hours on the basis of one day's benefit being equivalent to 1/10 of the regular bi-weekly hours for the Employee's classification:

ARTICLE 33 – TRANSITION SUPPORT PROGRAM

33.01 In order to avoid layoffs, Employees selected in accordance with TSP shall receive a severance payment in return for their voluntary resignation. TSP requires that a reduction in the staff complement occurs as a result of each TSP severance payment offered.

1.1 Voluntary Resignation and Seniority

Where the Employer intends to reduce the number of Employees within a classification or classification group, and where the Employer has been unable to place Employees whose positions have become redundant, the Employer will offer to Employees in the affected classification or classification group the opportunity to resign with a TSP payment in order to avoid the need for layoff(s).

Where an offer to a classification of Employees (or classification grouping) for resignation results in more volunteers than is required to meet the need, the decision as to who receives severance will be determined on the basis of seniority.

Where the Employer can demonstrate to the Joint Committee on Technological Change that the Employer cannot accommodate the resignation of that number of Employees volunteering to resign or that other operational considerations are necessary, the Employer reserves the right to restrict the TSP offer. For example, where too many volunteers within a classification are from within a single work area, it may not be possible to permit all to resign at once. A phase-out procedure may be utilized to maximize the number of volunteers who actually resign.

1.2 Joint Committee on Technological Change

The Joint Committee established in accordance with the Agreement will be responsible:

- (i) to determine the classifications within a bargaining unit that are able to be considered a classification group for the purposes of this Program. A classification group may only include the Classifications requiring the same threshold qualifications and abilities. Where there are different requirements in a classification such as license, registration, certification, special skills or supervisory responsibilities, the classifications would not normally be grouped.
- (ii) to assess the operational requirements surrounding the Employer's requirement to limit the number of the employees to receive voluntary resignation offers;
- (iii) to review and clarify the impact of resignations on service delivery;

- (iv) to participate in the process of notifying displaced and laid off employees of their options under this Program; and

to address issues that may arise in respect of the interpretation and application of this Program.

1.3 TSP

The TSP shall be presented to Employees on a “window-period” basis, as determined by the Employer.

1.4 Displacement Process

- Step 1: At the point where the Employer decides the number of employees within a classification or classification group to be reduced, notification will be given to the Joint Committee on Technological Change. Following Joint Committee consultation, this information shall be made known to employees within that classification or classification group accompanied by a request for indications in writing of interest in voluntary resignation.
- Step 2: Employees shall have seventy-two (72) hours following receipt of the notice to submit their Expression of Interest form.
- Step 3: The Employer will assess the level of interest and determine provisional acceptance subject to operational requirements, in accordance with item 1.1 of this Program. This determination will be made in consultation with the Joint Committee On Technological Change and as soon as is reasonably possible following the seventy-two (72) hour response time.
- Step 4: Employees shall, within seven (7) days following a meeting with a representative of Human Resources, indicate their decision with respect to voluntary resignation. The actual date of resignation will occur with the agreement of the Employer. Upon resignation, the Employee will be entitled to the TSP payment in accordance with this Program.
- Step 5: (a) Article 32 of the Collective Agreement applies to Employees whose positions are eliminated due to the reduction of the number of Employees in a classification or classification group. These Employees shall be considered to be redundant pursuant to Article 32.12 of the Collective Agreement and shall have the rights of a redundant Employee.

- (b) Any Employee displaced in accordance with the provisions of the Agreement shall be given seventy-two (72) hours to express their interest in TSP in accordance with Step 2 above. Those expressing an interest will have their application processed in accordance with Step 4 above. Where an Employee declines the TSP opportunity, the Layoff and Recall provisions of the Agreement shall apply.

Step 6: (a) Where the Employer reaches its reduction target through this voluntary method, the process would end.

- (b) Where the number of voluntary resignations with TSP payment is less than the number of Employees in the classification or classification group to be reduced, the Employer shall identify those Employees who are subject to layoff. Before any Employee receives a notice of layoff, the Employer will notify the Employee who will have seventy-two (72) hours to express an interest in TSP in accordance with Step 2 above. Those expressing an interest will have their application processed in accordance with Step 4 above. Employees who decline the TSP opportunity shall be issued layoff notice in accordance with the provisions of the Agreement.

1.5 Salary Protection

Employee who accept placement in a position at a lower rate of pay, shall have their previous rate of pay maintained for such period as set out under this item.

Where the Employee's previous rate of pay exceeds the rate of forty thousand (\$40,000) per year, that rate of pay shall be maintained for a period of six (6) months from the date of placement in the lower-paying position. Thereafter, the Employee's protected rate of pay shall be reduced by ten (10) percent or the maximum rate of the new classification, or the rate of forty thousand (\$40,000) per year, whichever is the greater rate. The rate of pay will remain at this reduced level (subject to any regular Collective Agreement regulated changes) for a further period of twelve (12) months, after which the rate of pay will be reduced to the maximum of the lower-paying position.

Where the Employee's previous rate of pay is equal to or less than the rate forty thousand (\$40,000) per year, or less, that rate of pay shall be maintained (subject to any regular Collective Agreement regulated changes) for a period of eighteen (18) months, after which the rate of pay will be reduced to the maximum of the lower-paying position.

1.6 Reduced Hours and TSP Payment

Employees who accept an alternate position under this Program and as a result have a reduction of hours shall not qualify for a TSP payment.

1.7 Release Form

Employees accepting voluntary resignation will be required to sign a release statement verifying their resignation and agreement to sever any future claim for compensation from the Employer or obligation by the Union for further services except as provided in this Program in exchange for the TSP payment.

1.8 Casual Shifts

It shall only be for extraordinary operational needs that the Employer will utilize on a casual basis, an Employee who has resigned with a TSP payment under this Program during the period covered by the applicable notice payment period.

1.9 TSP Severance Payment

The amount of TSP payment shall be equivalent to four (4) weeks' regular (i.e. excluding overtime) pay for each year of service to a maximum payment of fifty-two (52) weeks' pay and for a minimum payment of eight (8) weeks' pay. Where there is a partial year of service, the TSP payment will be pro-rated on the basis of the number of months of service. An Employee who resigns in accordance with these provisions and is eligible to receive a pension under the Pension Plan and commences receiving the pension immediately following the completion of the TSP payment, shall also be entitled to receive the Retirement Allowance under Article 29 of the Collective Agreement. The maximum combined TSP and Retirement allowance payment shall not exceed fifty-two (52) weeks. The retirement allowance will be paid to the Employee at the earliest opportunity in accordance with the provisions of the *Income Tax Act of Canada*.

1.10 Formula for Part-time Hours

In determining the extent of the existing part-time relationship of an Employee at the time of resignation, layoff or other application of this program where the hours worked are not regular due to working additional shifts, the average of the Employee's hours worked during the six (6) month period preceding the severance (or average over the preceding period of part-time employment where that period is less than six (6) months) will be used.

1.11 Continuation of Benefits

Employees in receipt of a TSP payment will be entitled to continue participation in the applicable group insurance and benefit plans for the length of the TSP payment period. During such period the contributions will be cost shared in accordance with Article 20.01 of the collective agreement. It is understood that the Employer's obligations in this respect do not apply to plans for which the Employee is currently responsible for the full cost of contributions.

1.12 Re-employment Considerations

It is intended that TSP participants not be re-employed by an acute care employer during their TSP payment period. NON-BINDING ARBITRATION

Where the parties have been unsuccessful in resolving the matter through the grievance procedure, the parties may jointly submit the matter to the Department of Labour and Advanced Education's Non-Binding Arbitration Program. It is understood that non-binding arbitration is a voluntary program and that arbitration remains an option should the grievance remain unresolved after non-binding arbitration.

MEMORANDUM OF AGREEMENT #2

Where the Employer decides to temporarily close a particular work area and this results in work being unavailable to an Employee for a period of up to two weeks, an Employee so affected shall have the following options:

1. take vacation during the period in question; or
2. use lieu time which has been banked in accordance with Articles 15.08 (Overtime), 18.05 or 18.06 (Holidays); or
3. to be reassigned to other work within the Employee's classification, provided that the employer has determined that such work is available and no additional training will be required; or
4. take a leave of absence without pay for the full period or any part thereof; or
5. where the Employer determines that it is operationally feasible it may enter into arrangements with individual Employees which allows such Employees, in advance of a closure, to work beyond the normal working hours (without overtime) and to be credited with additional time, on an hour for hour basis, which must be drawn upon and completely used prior to the end of the fiscal year.

It is understood that the provisions of Article 32 shall apply where closures are in excess of two weeks.

**MEMORANDUM OF AGREEMENT #3
MARKET-BASED ADJUSTMENTS**

BETWEEN:

ISAAK WALTON KILLAM HEALTH CENTRE

(The Employer)

AND:

**THE NOVA SCOTIA COUNCIL OF HEALTH ADMINISTRATIVE PROFESSIONAL
UNIONS**

(The Unions)

This MOA affects all Unionised Employees at the IWK.

1. Where the Employer determines that, due to shortages within the labour market, a recruitment and/or retention problem exists with respect to a particular classification or group of classifications within the Bargaining Unit, the following procedure will be utilized:
 - (a) the Employer will consult with the Unions regarding the situation and provide the Unions with information supporting its conclusion that such a market problem does exist, along with its position in relation to the amount and the time period for any proposed supplement to the wage level; and
 - (b) the Unions will be provided with an opportunity to make representations and provide any additional information concerning the situation before any final decision is made by the Employer.
2. Upon completion of this consultation process the Employer may implement a special market-based adjustment in respect of the classification(s) in question. Such adjustments will be paid on a bi-weekly basis for a defined period of time.
3. Any market-based adjustment will be pro-rated according to designation for permanent part-time positions and for designation and duration for full and part-time long or short assignments and/or job shares.
4. The amount of the market-based adjustment will be reviewed annually and may be increased if the employer, in its discretion, deems this necessary. The decision of the employer in this regard is not subject to review by an arbitrator or any other person.
5. The market-based adjustment will not be considered a part of the Employee's regular (negotiated) pay rate for the Employee's classification.

6. The market-based adjustment will, however, be treated as regular earnings for purposes of pension, union dues, statutory deductions (e.g. employment insurance, Canada pension plan, income tax) and other earnings, related group benefits plans such as long term disability and life and accidental death and dismemberment insurance and for pregnancy and adoption leave allowances.
7. The market-based adjustment will not be added to the hourly rate when calculating overtime rate; rather, overtime rates will be based on the base salary without the market-based adjustment.
8. The market-based adjustment shall be considered as part of any monies to be reimbursed to the Employer by the affected constituent Union in relation to any time off for union business.
9. The market-based adjustment shall be used in calculation of any retirement allowance to which an Employee becomes entitled while the adjustment is in effect.
10. For Casual Employees the market-based adjustment will be paid at the rate of two shifts per week. A quarterly review of time actually worked (excluding overtime) will be undertaken and any shifts worked beyond those previously remunerated would then have market-based adjustment applied to them.
11. For Part-time Employees, the market-based adjustment will be paid based on their designation and their regularly scheduled shifts. Any extra shifts beyond the part-time FTE designation, excluding overtime hours, will be reviewed quarterly and paid on the same basis as the casual worker.
12. The 11% in lieu of benefits that is paid to casuals shall be calculated on the base pay plus market-based adjustment.
13. The existence of the market-based adjustment does not prevent the unions from negotiating increases in compensation and benefits in accordance with the collective agreement. Nor does the existence of the market-based adjustment prevent the unions from pursuing classification issues during the life of the market-based adjustment.
14. Any Employees currently in receipt of a market-based adjustment at the signing of this agreement will continue to operate under the provisions of that arrangement until it is concluded by the Employer.

MEMORANDUM OF AGREEMENT #4

QUARTERLY VACATION

The Parties recognize that Employees on some units or in some services are closely integrated with Employees that have vacation scheduled quarterly, and that in some circumstances it may be beneficial to the Parties that certain Employee's vacations also be scheduled quarterly.

The committee shall have no more than three representatives from the Employer and the Union. The committee shall meet and discuss the issue and if the committee is unanimously in favour of quarterly vacation scheduling, attempt to reach an agreement outlining the process for quarterly vacation scheduling, the Employees to whom it will apply, when it will start, and the duration of the agreement or the method of ending it.

Employees who are not covered by a long term disability plan or who have time in their sick leave bank may use their sick leave banks for the period for which they are sick after the one hundred (100) days for Short-Term Illness has been used, until their sick leave bank is exhausted. The Employee’s sick bank shall be reduced by one day for each day of entitlement under this section.

To “Top Up” STI

Employees may use these credits to top up Short-Term Illness benefits. For each day on which the Employee is in receipt of Short-Term Illness the Employee may use their sick bank to “top up” their Short-Term Illness benefit to one hundred per cent (100%) of salary. Twenty five percent (25%) of the day shall be deducted from the sick bank for each twenty five percent (25%) “top up”.

WCB Earnings Replacement Supplement

Employees may use these credits to supplement the earnings replacement benefit paid by the Workers’ Compensation Board equal to the difference between the earnings replacement benefit received by the Employee under the Act and the Employee’s net pre-accident earnings. AND WHEREAS the parties intend that this MOA will expire once the process is completed;

NOW THEREFORE the parties agree as follows:

1. The parties will establish a Pay Plan Transition Committee, composed of four representatives each of the Council and the Employers, to review and match all current health administrative professional bargaining unit classifications to classifications at the former Capital District Health Authority, NSGEU Local 1246, bargaining unit. A representative of HANS will also participate on the Committee on a non-voting, ex-officio basis, and will act as Chair of the committee.

4. For individual Employees whose positions are matched to classifications at the former CDHA:
 - a. where the matched position at the former CDHA has a higher pay rate, the Employee shall be placed at the next higher rate of pay on the pay range of the CDHA classification as increased by the applicable pay increases in the Collective Agreement or the minimum rate of the matched CDHA classification as likewise increased, whichever is greater; or
 - b. where the matched position at the former CDHA has a lower pay rate, the Employee shall be granted present incumbent only pay protection and shall progress on the pay range of their previous classification as adjusted by general economic pay increases so long as the incumbent remains in their current position.

5. Unless the parties mutually agree on an alternate dispute resolution mechanism, all disputes regarding whether a position is appropriately matched to a position at the former CDHA shall be referred for resolution to a single arbitrator in accordance with Article 26 of the Collective Agreement.
6. An arbitrator hearing a dispute pursuant to paragraph 5 above shall have the jurisdiction to match the position to a former CDHA position, or determine that there is no match to the position at the former CDHA.
7. In determining whether a position is matched to a former CDHA position, the arbitrator shall consider the factors prescribed by the Aiken (Watson Wyatt) job evaluation system.
8. The arbitrator shall have no jurisdiction to assign a rate of pay for any position.
9. In the event that the parties agree, or an arbitrator determines, that there is no match for a position at the former CDHA, and the position has not been evaluated by the Aiken (Watson Wyatt) job evaluation system:
 - a. For the NSHA, the position shall be reviewed pursuant to Article 42 of the Collective Agreement;
 - b. For the IWK, the position will maintain its existing rate of pay.
10. Within sixty (60) days from the signing of the Collective Agreement, the Committee will convene to discuss the review process and determine a timeline for completion of the pay plan transition.
11. Implementation of the reconciled pay plans will occur immediately following completion of the matching exercise, which includes completion of any arbitration arising under paragraph 5. Any rate of pay changes shall be made effective the date Arbitrator Kaplan issues an award.
12. This Memorandum of Agreement will expire immediately upon completion of the matching exercise, inclusive of any arbitration arising under paragraph 5.
