Transition of Care Committee

Join us
online!

Are you...

- *A current or former patient or caregiver at IWK Health?*
- *Heading to Adult Care or already there?*
- *Looking to improve the transition to adult care for yourself and others?*

The **Transition of Care Committee** brings together patients (14-24 years old), family members, & healthcare providers to improve the transition from pediatric to adult health care. We create resources for youth, families & health care providers, do research and advocate for improved transitions of care.

Our goal is to create a space where people feel valued and where a diversity of experiences from across the Maritimes helps us to make transition better for everyone.

For more information, contact
IWKTransition@iwk.nshealth.ca

Poster Version 1 - April 25, 2025

Est. 2005

Where kids with a sick family member get to be KIDS.

When a parent or sibling is seriously ill or has a disability, stress, strain, and worry grips the family. Camp Triumph provides an oasis for the “other” kids who have to grow up too fast.

Camp Triumph is for children aged 7-16 who have a family member with a chronic illness or disability. They try new things, while building confidence, self-esteem, positive coping strategies, and resilience. All campers attend for free.

Intervention Practices Study

We are seeking participants

for an **online OR in-person** focus group discussing the approaches clinicians use when working with bilingual children on the autism spectrum

We are looking for adults who:

- Are the caregiver of a child between the ages of 18 - 72 months who has a presumed or confirmed autism diagnosis
- Have a child who has received autism services in Nova Scotia
- Speak a language other than English (e.g., Arabic, Spanish) at home

The study involves one session that is approximately 1.5 hours long. It requires either coming in-person to Dalhousie University **OR** an internet connection and access to a computer or tablet. To thank you for your participation you will receive a small compensation after the session.

For more information or to see if your child is eligible to participate please send us an email at cliclabb@dal.ca with the subject "Culture Study".

TAKE PART IN A RESEARCH STUDY!

**WE ARE LOOKING FOR
KIDS WITH DISABILITIES
TO JOIN OUR TEAM AS
CO-RESEARCHERS!**

STUDY INFORMATION:

- We are looking for kids with disabilities, grades 3-6, living in **Halifax Regional Municipality, to join our team as Co-Researchers!**
- With help from kids as co-researchers, Dalhousie University researchers want to understand more about:
 - what kinds of things matter most to kids?
 - what do inclusion and belonging mean to kids?
- To answer these questions, Co-Researchers will help us come up with a research idea, choose kid-friendly activities or tools to study it, make sense of what we find out together, choose who to share our findings with, and choose how to share our findings in fun and creative ways.
- If you join our research team, we will meet 4 times as a small group.
- Co-Researchers will help to decide where and how the meetings will take place. All forms of communication and mobility are welcome!
- Co-Researchers will receive \$100 in gift cards of their choice for their time and contributions.

Recruiting for F-words Foundations Course

Are you a service provider to, or a family member (parent/caregiver) of, someone with a developmental concern in Canada?

If so, we would like to invite you to be part of our F-Words Foundations Course study! The 'F-words for Child Development' (Functioning, Family, Fitness, Fun, Friends, Future) provide a family-centred, strengths-based, holistic approach to child health and development.

For the study, you will choose to complete one of two versions of the online F-words Foundations Course: (i) the self-paced version; or (ii) an online facilitated version that involves the self-paced version plus weekly one-hour online discussion groups with other caregivers and service providers.

You will also be asked to complete a questionnaire at baseline, program completion, and three months post-completion. A subset of parents and service providers will be asked if they would like to participate in an optional interview upon of completing the program.

Please contact Sarah, hopmansn@mcmaster.ca, if you would like more information about the study.

Thank you!

Parasport FAQ's

Do you need to have a specific disability to participate in Parasport programs?

NO! Parasport's are designed to create a more inclusive and accessible sport environment. This means that at a recreational level they are open to participants of all abilities! Depending on your ability, certain sports may provide a better experience than others. You can check out each parasport offered in Nova Scotia at www.parasportns.com to see which sport might be the best fit for you, or you can reach out to parasport@sportnovascotia.ca if you need additional assistance or guidance!

** At competitive National levels and above all Parasport's have classification systems to group similar abilities together for competition*

How do I register for a program?

Parasport programs are not provided directly by Sport Nova Scotia, but by a variety of different organizations across the province! Each organization has their own registration process, but a centralized list of programs, links to register, and contact info can be found at www.parasportns.com! If you are having trouble finding the info for a specific sport or program, you can reach out to parasport@sportnovascotia.ca to get started!

What is the cost?

Cost varies program to program depending on the organization providing the program. Most parasport programs in Nova Scotia are low to no cost to register! If cost is a barrier, there are funding options such as KidSport available - <https://kidsportcanada.ca/nova-scotia/provincial-fund/>. There are also a number of municipalities across the province that offer subsidies for sport registration fees for youth.

I don't know what sport would be a good fit for me/ my child?

You can check out each parasport offered in Nova Scotia at www.parasportns.com to see which sport might be the best fit for you, or you can reach out to parasport@sportnovascotia.ca if you need additional assistance or guidance!

Is there a parasport program in my community?

There are parasport programs offered in communities all across Nova Scotia! You can find a map and list of available programs at www.parasportns.com!

Are there any options if there is no programs in my community?

Yes! Sport Nova Scotia offers the Parasport Program Loan which loans out the equipment, training and resources for a selection of parasports to eligible organizations to trial them in new communities! To find more info on this program visit <https://www.parasportns.com/parasport-program-loan/> or email parasport@sportnovascotia.ca

Do I need to have my own equipment?

It varies program by program depending on the organization providing the program, but for the vast majority of programs, NO! Most programs provide any specialized equipment such as sport chairs, specialized balls, etc as part of the program.
