

PROVINCIAL PRESCHOOL AUTISM SERVICE

Provincial Preschool Autism Service

The Provincial Preschool Autism Service (PPAS) is a partnership between IWK Health, Nova Scotia Health, Hearing and Speech Nova Scotia, and Autism Nova Scotia providing services and support for preschool-age children and families across Nova Scotia.

PPAS Clinical Intake and Care Coordination

- ✦ A single point of contact for all preschool autism services in Nova Scotia
- ✦ Support for families before, during, and after autism diagnosis up until Grade Primary
- ✦ A single referral hub for all intervention and diagnostic services

Referral forms and service info available online
