

PROVINCIAL PRESCHOOL AUTISM SERVICE

Autism Education Series

Free resources to help families of preschool-aged children learn about autism and ways to support their child in any setting.

You can use the strategies from the Autism Education Series in your child's daily routines.

These resources provide information on:

- ✚ Understanding autism
- ✚ Supporting your child's communication, play, and daily routines
- ✚ Taking care of yourself as a parent or caregiver
- ✚ Hearing from other parents and caregivers
- ✚ Preparing for your child's transition to school

Some videos are available in English, French, and Arabic.

Scan here for access to our Autism Education Series.
Please note: these resources do not replace a service plan
