NOTE 1 - This workshop was developed by CASCADES and Dalhousie University's Healthy Populations Institute in partnership with IWK Health and Choosing Wisely Canada NS. It was designed to equip healthcare professionals with practical tools and insights to advance sustainable patient care. IWK Health supported the event by providing catering for staff and physician participants. In addition, modest tokens of appreciation were extended to the speakers and panelists.

NOTE 2 - This was reported in October but should have been included in August reporting.
