Support Group for Parents of Children with Complex Care Needs

Next Virtual Meeting

Thursday, April 16th, 2026

Wednesday, May 27th, 2026

Thursday, June 25th, 2026

7:00-8:30 pm

This is a journey that does not have
to be taken alone.

We can do this together!

For more information speak to an
IWK Social Worker or email
jacklynn.pidduck@iwk.nshealth.ca

WE ARE LOOKING FOR FEEDBACK!

We are creating a resource guide for
youth with complex medical needs
and their families as they
transition from pediatric to adult care
and would like your help!

If you are a youth 14-24 years of age with complex medical needs, or a family member, we would love if you could review a resource guide we are drafting to support you as you prepare for adult care.

Please reach out to Jackie Pidduck, Transition Coordinator for more information.

Let's Talk: Teens Building Their Self- Management Skills

SCAN HERE
to register

This session is for parents and caregivers of children living with a health condition.

You'll hear directly from youth who have moved into the adult healthcare system and learn why it's helpful to start the conversation about transition early. We'll explore what self-management means, why it matters, and how you and your child can begin building these skills together.

TAKE PART IN A RESEARCH STUDY!

WE ARE LOOKING FOR
KIDS WITH DISABILITIES
TO JOIN OUR TEAM AS
CO-RESEARCHERS!

STUDY INFORMATION:

- We are looking for kids with disabilities, grades 3-6, living in **Halifax Regional Municipality**, to join our team as **Co-Researchers!**
- With help from kids as co-researchers, Dalhousie University researchers want to understand more about:
 - what kinds of things matter most to kids?
 - what do inclusion and belonging mean to kids?
- To answer these questions, Co-Researchers will help us come up with a research idea, choose kid-friendly activities or tools to study it, make sense of what we find out together, choose who to share our findings with, and choose how to share our findings in fun and creative ways.
- If you join our research team, we will meet 4 times as a small group.
- Co-Researchers will help to decide where and how the meetings will take place. All forms of communication and mobility are welcome!
- Co-Researchers will receive \$100 in gift cards of their choice for their time and contributions.

Recruiting for F- Words Foundations

Are you a service provider to, or a family member (parent/caregiver) of, someone with a developmental concern in Canada?

If so, we would like to invite you to be part of our F-Words Foundations Course study! The 'F-words for Child Development' (Functioning, Family, Fitness, Fun, Friends, Future) provide a family-centred, strengths-based, holistic approach to child health and development.

For the study, you will choose to complete one of two versions of the online F-words Foundations Course: (i) the self-paced version; or (ii) an online facilitated version that involves the self-paced version plus weekly one-hour online discussion groups with other caregivers and service providers.

You will also be asked to complete a questionnaire at baseline, program completion, and three months post-completion. A subset of parents and service providers will be asked if they would like to participate in an optional interview upon of completing the program.

Please contact **Sarah**, hopmansn@mcmaster.ca, if you would like more information about the study.

Thank you!

Intervention Practices Study

We are seeking participants

for an **online OR in-person** focus group discussing the approaches clinicians use when working with bilingual children on the autism spectrum

We are looking for adults who:

Parasport FAQ's

Do you need to have a specific disability to participate in Parasport programs?

NO! Parasport's are designed to create a more inclusive and accessible sport environment. This means that at a recreational level they are open to participants of all abilities! Depending on your ability, certain sports may provide a better experience than others. You can check out each parasport offered in Nova Scotia at www.parasportns.com to see which sport might be the best fit for you, or you can reach out to parasport@sportnovascotia.ca if you need additional assistance or guidance!

** At competitive National levels and above all Parasport's have classification systems to group similar abilities together for competition*

How do I register for a program?

Parasport programs are not provided directly by Sport Nova Scotia, but by a variety of different organizations across the province! Each organization has their own registration process, but a centralized list of programs, links to register, and contact info can be found at www.parasportns.com! If you are having trouble finding the info for a specific sport ort program, you can reach out to parasport@sportnovascotia.ca to get started!

What is the cost?

Cost varies program to program depending on the organization providing the program. Most parasport programs in Nova Scotia are low to no cost to register! If cost is a barrier, there are funding options such as KidSport available - <https://kidsportcanada.ca/nova-scotia/provincial-fund/>. There are also a number of municipalities across the province that offer subsidies for sport registration fees for youth.

I don't know what sport would be a good fit for me/ my child?

You can check out each parasport offered in Nova Scotia at www.parasportns.com to see which sport might be the best fit for you, or you can reach out to parasport@sportnovascotia.ca if you need additional assistance or guidance!

Is there a parasport program in my community?

There are parasport programs offered in communities all across Nova Scotia! You can find a map and list of available programs at www.parasportns.com!

Are there any options if there is no programs in my community?

Yes! Sport Nova Scotia offers the Parasport Program Loan which loans out the equipment, training and resources for a selection of parasports to eligible organizations to trial them in new communities! To find more info on this program visit <https://www.parasportns.com/parasport-program-loan/> or email parasport@sportnovascotia.ca

Do I need to have my own equipment?

It varies program by program depending on the organization providing the program, but for the vast majority of programs, NO! Most programs provide any specialized equipment such as sport chairs, specialized balls, etc as part of the program.

Physical Activity

Building Better Balance (6-week program)

This program is for adults who have a fear of falling or decreased balance but have not experienced more than two falls in the past year. Participants must be able to stand on their own without holding on to anything and able to exercise for 30 minutes at a low to moderate intensity without rest. Participants will exercise twice a week in a group setting with a physiotherapist. **Register and complete the physical activity screen at www.communityhealthteams.ca.** A physiotherapist will review and confirm all registrations. If you have previously participated in this program, you may not be eligible.
